

Prof. Ajay Chandak won state level energy conservation awards for year 2008-09 and 2009-10, first in individual category.

To encourage energy conservation activities government of Maharashtra delivers 'Energy conservation awards' every year in different categories. MEDA (Maharashtra Energy Development Agency) announced state level awards for last two years on 2nd Sept. 2011. PRINCE family is happy to announce that our founder and chairperson Prof. Ajay Chandak has won first award in individual category for both the years, 2008-09 and 2009-10. Awards will be conferred on suitable dates. Many Congratulations.

PRINCE, Suman Foundation, won state level energy conservation awards for year 2008-09 and 2009-10, Second in NGO category.

MEDA (Maharashtra Energy Development Agency) announced results of state level awards for energy conservation on 2nd Sept. 2011. We are pleased to announce that **PRINCE, Suman Foundation** won 2nd award for both the years 2008-09 and 2009-10, in NGO category. Thanks to all members and stakeholders who made this possible. Many Congratulations.
